Before your calendar becomes filled consider:

December 15th 7 P.M. All-Church Caroling through the neighborhoods. Join sound and singing back at the church. This is great family fun!

December 8th 2 P.M. All-Church Christmas Story from these church happenings. We hope to see you there!

Prayer:

Before Christmas comes this time of year, slow down and connect to the special moments of your friends and family. Christmas is the meaning of the child, my Saviour. It’s time to enjoy the beauty of Christmas and I don’t want to rush through any habits and routines that are the spirit of Christmas. Be present in the moment. Those Christmas decor items in the church are not to be displayed until Christmas Eve service. Let the celebration of Christmas begin on Christmas Day. The church family and the Emmanuel Children’s Corner are having a special meal with friends and family. We hope you can join us.

There is something special about Christmas that can’t be duplicated. This is the season that has been in all things for Christmas. My prayer has already been said...
